May 22, 2020

To our valued clients,

We will resume our regular student salon hours Monday, June 1st. Services will be provided on a walk-in basis, based on student availability. We have designated 8:30am-9:30am Monday-Wednesday as our time for high-risk clients.

Out of respect to our students, staff and other clients, we are asking clients to wear a face covering whenever possible.

Your temperature will be taken and you will be asked screening questions regarding COVID-19 symptoms upon arrival.

Only clients receiving services will be allowed in the building with the exception of one parent accompanying a child, or a caregiver accompanying an adult that requires assistance.

Clients will not be allowed to wait inside the school. Once you've signed in, you may wait in your vehicle, or leave a call back number and we will call you when it is time to receive your service.

To limit congestion at the front desk, clients will pay before receiving services. If you decide to receive additional services, you will be placed back on the waiting list for those services, based on student availability.

We have always followed strict infection control procedures. We will be doing the following to keep everyone healthy.

- Students will wash hands/use hand sanitizer immediately before providing a service.
- Client capes will be washed after each use.
- All porous, one-use implements/materials will be disposed of after use.
- All non-porous implements will be disinfected after each use.
- All chairs, shampoo bowls, countertops, massage beds, nail tables, pedicure platforms, footbaths, etc., will be disinfected in between clients.
- Students and staff will be required to wear a face covering unless they have a medical exemption.
- Students and staff will have their temperature taken and answer screening questions regarding COVID-19 symptoms upon arrival.
- Product/supplies will be pre-portioned, assigned to students, and/or containers will be wiped down after each client.
- Coffee and water will be served by a designated student or staff member.

We have the right to refuse service to anyone who puts our students, staff, and clients at risk.

Thank you for your continued support of our students as they train for their new careers!
